2000 words Contemporary Fiction (*draft rev 20221024*)

## Manuscript Formatting via CSS: The SUPER SIMPLE Short Story Example

Achieving a (*mostly*) Compliant Manuscript for Markdown or HTML by Author Name

This short-form template/example has only one scene and that's it. Most of my 2000-word shorts don't have scene breaks.

This document is an example of a typical short story. It has no parts or chapters, just scenes. Many of my super shorts (the 2000 word range and shorter) have only one scene. Also notice the auto-inserted dinkuses between the scenes and the -30- marker at The End.

This is a one scene short story. This is a one scene short story.
