My Short Story Title

My Short Story Subtitle

by Penfirstname Penlastname

This is an example of an [epigraph](#) that includes a 'poem'. Some main titles, parts, and chapters will include an epigraph though you may wish to add these until you are ready to adapt the work to print.

*A dreamer is one who can only find his way by
moonlight, and his punishment is that he sees the dawn
before the rest of the world.
—Oscar Wilde, 1888*

This document is an example of a typical short story. It has no parts or chapters, just scenes. Many of my super shorts (the 2000 word range and shorter) have only one scene. Also notice the auto-inserted [dinkuses](#) between the scenes and the [-30-](#) marker at The End.
